Exhibitors will be restricted to their booth area after closing and they will not be allowed to walk the exhibit floor.

After Hours Passes can be obtained from Security at the entrance door.

Exhibitors do not have 24-hour access to the convention center. If an exhibitor leaves the exhibit hall after 8:00 PM, they will not be allowed back in. If an exhibitor needs to work past 8:00 PM, it is acceptable as long as they do not leave and try to return. Exhibitors will not be allowed to be in the exhibit hall from 12:00am – 8:00am.

Convention Center hours are as shown above. Exhibitors must be out of the convention center by 7:00 PM during exhibit days so that maintenance crews can start cleaning for the next day.
